Dan Atcheson

2010 National Earthwork & Heavy Equipment Estimator Dan Atcheson

Complete labor, material, and manhour prices for estimating most earthmoving projects. You ll find how to read site plans, what s necessary in site preparation, how to determine site cut and fill quantities, how to determine soil swell and compaction, how to work with topsoil, slabs and paving, road work, curbs and gutters, and trench excavation.

Includes factors affecting equipment production and how to include it in your estimate, as well as production rates for excavators, trucks, dozers, scrapers, compactors, graders, pavers, as well as blasting, ripping rock, and soil stabilization.

Includes a FREE CD-ROM with an electronic version of the book with a stand-alone Windows estimating program, plus an interactive multimedia tutorial. You can print out your finished estimates, or export to QuickBooks Pro for job-costing to determine where you made or lost money.
