A Companion to Wittgenstein (Blackwell Companions to Philosophy)

A Companion to Wittgenstein (Blackwell Companions to Philosophy)

The most comprehensive survey of Wittgenstein's thought yet compiled, this volume of fifty newly commissioned essays by leading interpreters of his philosophy is a keynote addition to the Blackwell series on the world's great philosophers, covering everything from Wittgenstein's intellectual development to the latest interpretations of his hugely influential ideas. The lucid, engaging commentary also reviews Wittgenstein's historical legacy and his continued impact on contemporary philosophical debate.
