A Guide Book of United States Paper Money, Fifth Edition

Arthur L. Friedberg, Ira S. Friedberg

A Guide Book of United States Paper Money, Fifth Edition Arthur L. Friedberg, Ira S. Friedberg
Building on the scope of Robert Friedberg's groundbreaking research, *A Guide Book of United States Paper Money, Fifth Edition*, includes an engaging history of the paper currency of the United States. Every federal note—from the ultra rare Demand Notes of 1861 to the lunch money in our wallets today—is described and cataloged in detail. Fascinating narrative captures the romance and history of American paper money, and also explores recent developments in the hobby and market, including the newest \$100 bill. The book combines the hobby-standard Friedberg numbering system with retail values and hundreds of high-resolution, full-color photos. With updated and revised content, the fifth edition is even stronger than the critically acclaimed first through fourth editions, which have solidly established this book's reputation as a popular and best-selling hobby reference.
