Charcutería: The Soul of Spain Jeffrey Weiss

2015 James Beard Award nominee

2015 Gourmand World Cookbook Award nominee

***Charcutería: The Soul of Spain* is the first book to introduce authentic Spanish butchering and meat-curing techniques to America. Included are more than 100 traditional Spanish recipes, straightforward illustrations providing easy-to-follow steps for amateur and professional butchers, and gorgeous full-color photography of savory dishes, Iberian countrysides, and centuries-old Spanish cityscapes.**

Jeffrey Weiss has written an entertaining, extravagantly detailed guide on Spanish charcuterie, which is deservedly becoming more celebrated on the global stage. While Spain stands cheek-to-jowl with other great cured-meat-producing nations like Italy and France, the unique charcuterie traditions of Spain are perhaps the least understood of this trifecta. Americans have most likely never tasted the sheer eye-rolling deliciousness that is cured Spanish meats: chorizo, the garlic-and-pimentón-spiked ambassador of Spanish cuisine; morcilla, the family of blood sausages flavoring regional cuisine from Barcelona to Badajoz; and jamón, the acorn-scented, modern-day crown jewel of Spain's charcutería legacy.

Charcutería is a collection of delicious recipes, uproarious anecdotes, and time-honored Spanish cuisine and culinary traditions. The author has amassed years of experience working with the cured meat traditions of Spain, and this book will surely become a standard guide for both professional and home cooks.
