## **Diary of a Wimpy Person: The Skeleton Menace! (Minecraft adventure books for kids) (Volume 2)**

Minecrafty Millers, Jason Jade

Ethan Miller (AKA **Person**) is back in Minecraft, but this time around he has friends.

It's just too bad that he thinks he's not good enough at playing the game to ask a few simple questions and save himself a world of grief.

Instead, Ethan decides that he's going to destroy a dungeon full of skeletons all on his own.

Of course, that means that he's going to die a lot.

But he will discover quite a bit more about the game in the process.

Join him as he fights skeletons, mines for resources, gets blown to pieces by gangs of angry creepers, accidentally angers a witch, tames a few pets and finally finds some diamonds.

By the time his adventure is over, he might even be good enough to not be called a noob anymore.

With charming illustrations and creative storytelling, *Diary of a Wimpy Person: The Skeleton Menace!* is a must-read for any kid who loves Minecraft. Kids ages 7-14 (even reluctant readers) can't wait to "dig in" to these Minecraft Adventures!
