Nine Women Revealed: Intimate Revelations of Nine Real Women in Images and Words Gary D Melton

Ever noticed how perfect the women always look in magazines like Playboy? But "real" women don't always wear makeup - and sometimes - they actually have bruises on their legs (gasp)! Real life is messy like that! If there's an interview, it's usually frivolous stuff - they don't tell you the real dirt. Enter the world of "Nine Women Revealed" where the women aren't perfect, they aren't all "painted up," and their photos aren't even air-brushed...but they are all natural and beautiful! View the photos and read the stories of nine real women (ranging in age from 20 to 40) - all of whom model (including in the nude), and who come from a variety of lifestyles: students, housewives, mothers and even a top ten Playboy model! See them in everyday situations (in various forms of dress...and undress): - Dancing and acting silly - Raiding the refrigerator - Cleaning house - Taking a bath - Sleeping - Checking themselves out in the mirror - Having fun with Mr. Vacuum Cleaner - Lounging on the couch - Doing laundry Read their stories: - One can't keep male friends - One wants to be a cop (again) - One is jealous of Seth Rogan - One explains how posing nude is self-actualization for her - One has no problem asking men out if she feels like it - One lived in Indonesia as a child Find out which of the nine women: - Has a fantasy about making love with a partner while others watch them - Recently went skinny dipping with a group of people at a party - Did her interview with the author of this book in the nude - Has wondered what it would be like to have a penis - Has been to a nude resort More than 160 full color photos: clothed, lingerie, negligees, topless and nude! Gary Melton, author and photographer, has gathered nine amazing women and reveals them to us through images and words that give us a candid peek into their private worlds. ** This is the International Edition - It contains 18 "unrated" photos not found in the "Standard" or "Deluxe" Editions. **
