Not illustrated. 1847 Excerpt: ... slight exceptions, till the Reformation. Then, indeed, a new light shone and diffused itself. But it was long before it reached the heathen world. It had much to encounter and overcome in Europe; and Rome, beholding herself in danger of losing kingdom after kingdom, lent a willing ear to the disciples of Loyola, welcomed their zeal and devotion, and gladly sanctioned their bold and widespreading enterprise. A new activity inspirited the missionary cause, and the triumphs of the cross were witnessed in remote Japan. These extended efforts, and the apparent success with which they were attended, alarmed the protestant church. It was perceived that Rome sought in the East an equivalent for her losses in the West; and it is an affecting consideration, that with the puritan settlers of North America it was no small inducement to dare the perils of the ocean, and the wilderness beyond it, that they might be instruments, in the hands of GOD, of bringing to the knowledge of His truth many of the heathen, and counterbalance thus the spiritual conquests of Jesuits in so many of the regions of the earth.⁸ For they had just witnessed the discomfiture of the protestant cause in the Palatinate, and in Bohemia, through the junction of the imperial with the papal arms; and, dreading the prevalence of such a sway, were desirous not only of securing a remote place of refuge, but of entering likewise on a new field of labor. Indeed, the very character of a band of them bears decisive evidence of the pious intentions they professed; for, says the king, 'To win and invite the natives to the knowledge and obedience of the only true God and Saviour of mankind, and the Christian faith, is our royal intention, and the adventurers' free professions, and the principal end of the pla...
