The Homecoming Stacie Ramey

A new, emotional novel from Stacie Ramey, the author of *The Sister Pact*

They say you can never go home-and John's about to find out just how true that is.

John's mother kicked him out of the house when she couldn't handle his anger, and John's spent the last few years bouncing between relatives. But after his last scrape with the law, there's nowhere for him to go but home.

Starting senior year at a new high school and fitting into the family that shut him out is a challenge. And it's all that John can do to keep from turning back to bad habits. Lacrosse training helps him focus. As does Emily, the girl next door. She's sweet and smart, and makes him think his heart may finally be healing. Maybe he's ready to trust again. But tragedy has a way of finding John, and he must decide between saving his family or saving himself.

"A powerful story of redemption, forgiveness, love, and the ability to persevere."-VOYA on *The Sister Pact*
