The Theater of War: What Ancient Greek Tragedies Can Teach Us Today Bryan Doerries
[Read by Adam Driver]

This compassionate, personal, and illuminating work of nonfiction draws on the author's celebrated work as a director of socially conscious theater to connect listeners with the power of an ancient artistic tradition.

For years, Bryan Doerries has been producing ancient tragedies for servicemen and women, addicts, tornado and hurricane victims, and a wide range of other at-risk people in society. Drawing on these extraordinary experiences, Doerries powerfully illustrates the redemptive and therapeutic potential of this classical, timeless art: how, for example, Ajax can help soldiers and their loved ones grapple with PTSD. *The Theater of War*-- wholly unsentimental but intensely felt and emotionally engaging-- is a humane, knowledgeable, and accessible book that will inspire and inform listeners, showing them that suffering and healing are both part of a timeless process.
