Nicole Nieman has never really thought about being Jewish. Now, with the Nazis occupying France, it is the only thing on her mind. An almost endless stream of refugees comes to stay at their house, and her parents wonder if they too ought to escape over the border to Switzerland or take the chance and wait it out. Then one awful day Nicole comes home from school to find her parents and her sister gone. The Nazis who have taken them are still looking for her. Where can Nicole hide? And will she ever see her family again?" A significant addition to the growing collection of children's books dealing with World War II." -The Boston Globe
