George Balanchine, Francis Mason

Balanchine's Complete Stories of the Great Ballets, Revised and Enlarged George Balanchine, Francis Mason

This book attempts to tell the stories of ballets of lasting importance in the history of the art and to provide a record of significant new work performed in the past 25 years...ballets that are still a part of the contemporary repertory or ballets that made an enduring impression at the time.

Ballets of lasting importance...and by that we mean ambition fulfilled...ballets like 'La Sylphide,' 'Giselle,' and 'Swan Lake,' have held the stage for more than 100 years; 'La Fille Mal Gardee' for almost 200 years. A great number, like 'Petrouchka,' come and go; others disappear entirely.

This book is designed to help find the great ballet experiences and to give some preparation to those who do not trust their eyes and ears in the theatre first.
