**Especially famed for his Spanish Chair, Mogensen was one of the most important and influential representatives of Danish furniture design**

Børge Mogensen was one of the most important and influential representatives of Danish furniture design. In a career spanning more than 30 years, he created a wealth of quality furniture, many pieces of which, such as his Spanish Chair, are still sold as design classics to this day. Influenced by traditional craftsmanship, Mogensen was also often inspired by Shaker furniture and design philosophies. A restless thinker, he noted down all of his ideas immediately?whether on matchboxes, napkins or used envelopes.

This magnificent monograph examines Mogensen's fascinating approach to design and presents his most well known and most popular pieces of furniture. Workshop drawings, sketches and photographs of his furniture as well as archival pictures from his everyday life offer fascinating insight into the world of the Danish designer, whose furniture is not only attractive, but also always, above all, functional.
