His exquisite line and masterful brushstrokes are explored to give the beginning artist, along with the most advanced professional, all the tools and knowledge needed to draw beautiful women.

No area is overlooked, as the book begins with demonstrations on how to draw basic anatomy—including the body, legs, arms and hands—plus more through clear, step-by-step procedures. Cho continues by exploring figures in motion utilizing ink, ballpoint pen, paint and watercolor while providing visual answers to an artist's toughest questions. Numerous examples are featured, from rough sketches to finished art, along with helpful tips. The process of the cover painting is revealed in detail.

A storytelling chapter is highlighted by an all-new, eleven-page adventure premiering Cho's Jungle Queen. The majority of the art shown here has been created specifically for this collection. Drawing Beautiful Women is enhanced by Frank Cho's wit and flair for entertainment, as he interjects humor throughout the book for a fun and playful experience.

Two gatefolds are included. This book includes nude artistic drawings.
