Rumor has it that water--still or flowing--is a medium for paranormal activity. Residents of Greenville, South Carolina, have gathered at Falls Park on the river for generations, so it is no coincidence that this upstate city is teeming with spirits whose stories have yet to be told. From the aggressive spirits trapped in the 1920s grandeur of the Westin Poinsett Hotel to the moans of the wrongly accused Willie Earle, these ghosts have unfinished business. Watch as phantoms of children drift through the rows of Springwood Cemetery and discover what lurks behind the Tiffany stained-glass hallways of the Gassaway Mansion, as paranormalist and owner of Greenville Ghost Tours Jason Profit guides readers through the chilling past of this historic city with an entertaining collection of tales.
