Reefer Madness

Jerry Siegel, Joe Shuster

Reefer Madness Jerry Siegel, Joe Shuster

Degradation! Crime! Madness! Hysteria surrounded marijuana as a perceived gateway drug from the 1930's to the 1950's and beyond. *Adventure Comics*, by Jerry Siegel and Joe Shuster, and works by Frank Frazetta, Jerry Robinson, Jack Kirby, and many more, reveal the social reaction to this era of "Reefer Madness". Like the anti-drug propaganda film, these stories range from comically misinformed to soberly concerned about the influence of Mary Jane on the youth of America. Eisner and Harvey Award winner Craig Yoe brings us his newest collection of wacky, wild, and culturally relevant comics.

See how marijuana was perceived in the days of ignorance before it was legalized by the visionary people of Oregon, Washington, and Colorado!

See marijuana demonized as a "Satan's cigarettes" in 1950's comics!

From reader reviews:

Raymond Phillips:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each guide has different aim or maybe goal; it means that reserve has different type. Some people feel enjoy to spend their time for you to read a book. They can be reading whatever they acquire because their hobby is actually reading a book. Think about the person who don't like reading a book? Sometime, man feel need book when they found difficult problem or perhaps exercise. Well, probably you will need this Reefer Madness.

Celia Redmond:

What do you about book? It is not important with you? Or just adding material when you need something to explain what the one you have problem? How about your extra time? Or are you busy person? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They have to answer that question due to the fact just their can do which. It said that about publication. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this Reefer Madness to read.

Millard Lopez:

Information is provisions for folks to get better life, information nowadays can get by anyone with everywhere. The information can be a expertise or any news even restricted. What people must be consider if those information which is in the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you have the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Reefer Madness as the daily resource information.

Sharon Scott:

Reading a publication tends to be new life style within this era globalization. With reading through you can get a lot of information that will give you benefit in your life. With book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story or their experience. Not only the story that share in the guides. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some exploration before they write to their book. One of them is this Reefer Madness.
