Rhianna Amanda L.V. Shalaby

Upon the unexpected death of her parents, Rhianna Braden finds the enigmatic Lord Guilford Kingsley on her doorstep. He escorts her to Kingsley Manor, where family secrets and scandals begin to unfold.

Her uncommon beauty captures the attention of the dashing Lord Thayne Brighton of Ravensleigh, but Rhianna is certain, despite their mutual attraction, that he would never choose her over his wealthy intended. Meanwhile, Lady Lydia Kingsley suspects her husband's attention to Rhianna has led to an affair between them. Events turn deadly when the truth of their relationship is discovered.

Eventually, Rhianna is forced to make a life-altering decision—while discovering that some secrets are not meant to be kept.

This is a new release of a previously published edition.

From reader reviews:

Adrian Kao:

In this 21st century, people become competitive in every way. By being competitive currently, people have to do something to make these people survive, being in the middle of often the crowded place and notice by surrounding. One thing that occasionally many people have underestimated it for a while is reading. Yes, by reading an e-book your ability to survive increases then having a chance to stand out than others is high. In your case who want to start reading a new book, we give you this kind of Rhianna book as a beginning and daily reading guide. Why, because this book is usually more than just a book.

Lawrence Fox:

A lot of people always spend their very own free time on vacation or even go to the outside with their family members or their friend. Do you know? Many a lot of people spend many people free time just watching TV, or playing video games all day long. In order to try to find a new activity honestly, that is look different you can read the book. It is really fun for you personally. If you enjoy the book that you simply read you can spend all day long to reading an e-book. The book Rhianna it is extremely good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. Should you did not have enough space bringing this book you can buy typically the e-book. You can more simply to read this book from the smart phone. The price is not too expensive but this book has high quality.

Martha Royal:

Is it an individual who having spare time after that spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This Rhianna can be the reply, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

Barry Altman:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Rhianna can make you really feel more interested to read.
