The Day, Month, and Year

Jade Ashcroft

The Day, Month, and Year Jade Ashcroft

Most of us wonder why we are here and what life is all about. It is possible to answer these questions through the application of astrology and numerology to life events. These ancient sciences can affect and shape our lives, and author Jade Ashcroft can show you how.

In *The Day, Month, and Year*, she tells her life story, one marked by struggles with mental illness and love affairs. She then illustrates the significance of date, time, and year throughout her life events. Ashcroft reveals real evidence about the knowledge that can be gained through the study of the planets and numbers as they relate to our lives. Dates-particularly birth dates-can offer insight into ourselves and can guide us as we seek to make sense of the past and present and move forward into the future. The understanding presented here can provide meaning and answers to anyone seeking to know more about the interconnectedness of life.

In this memoir and guide, one woman shares her personal narrative of a challenging but rewarding life, along with the understanding she gained from astrology and numerology.

From reader reviews:

William Vogt:

As people who live in the actual modest era should be update about what going on or details even knowledge to make them keep up with the era which can be always change and advance. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to anyone is you don't know which you should start with. This The Day, Month, and Year is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

Dorothy Roper:

Reading a reserve tends to be new life style within this era globalization. With looking at you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Publications can also inspire a lot of people. Plenty of author can inspire all their reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their talent in writing, they also doing some research before they write to the book. One of them is this The Day, Month, and Year.

Lawrence Gibbs:

Do you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Aim to pick one book that you find out the inside because don't judge book by its handle may doesn't work here is difficult job because you are scared that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer may be The Day, Month, and Year why because the wonderful cover that make you consider about the content will not disappoint you. The inside or content is definitely fantastic as the outside or perhaps cover. Your reading sixth sense will directly direct you to pick up this book.

Gregory Anderson:

A lot of publication has printed but it differs. You can get it by web on social media. You can choose the most effective book for you, science, comedian, novel, or whatever by means of searching from it. It is called of book The Day, Month, and Year. You can include your knowledge by it. Without departing the printed book, it could add your knowledge and make you happier to read. It is most critical that, you must aware about publication. It can bring you from one destination to other place.
