The Steps Rachel Cohn

Twelve-year-old Annabel thought Christmas break was going to be *amazing*. She'd planned to stay home in New York City with her best friend and do traditional things like go ice-skating in Rockefeller Center, hit the after-Christmas sale at Bloomingdale's, and scream with the *TRL* crowd at MTV in Times Square. But when her best friend bails, Annabel's mom decides it's high time Annabel visit her father and his *new* family in Australia.

Annabel is not pleased about traveling around the world to meet "the steps" -- twelve-year-old fashion-disaster stepsister, five-year-old stepbrother, and baby half sister -- but she's not going to waste this chance to steal her father back.
