The Truth Seeker's Guide to the Mardukites: A Pocket Handbook for the Next Generation

Joshua Free

The Truth Seeker's Guide to the Mardukites: A Pocket Handbook for the Next Generation Joshua Free Mardukite Ministries was founded on the Summer Solstice of 2008 in Denver, Colorado, by Joshua Free. A division was launched in 2009 called the Mardukite Chamberlains, an extension of the original 'Council of Nabu-Tutu' formed for the explicit purpose of uncovering and interpreting the wisdom and knowledgeable to be gleaned about our world from the most ancient writings on the planet... cuneiform tablets. Most famous for their 'online' internet presence, the Mardukite Chamberlains currently occupy the largest single 'New Age' demographic of the Anunnaki revival re-construction and practical tradition. In addition to the work connected specifically to Mesopotamia, the legacy of the ancient Mardukites has been shown to have evolved globally across geography and time to influence the cultural systems of nearly all indigenous folk. The Mardukite Truth Seeker Press was founded in 2008 to corespond with the inception of the Mardukite Research Organization under the sponsorship of underground occult vanguard - Joshua Free - known as 'Merlyn Stone' in the 1990's. Thousands of copies of his books already have reached up from the underground concerning various topics such as the 'Celtic Druids', 'Ancient Aliens Theory', 'Ceremonial Magic', 'Occultism' and 'Post-Modern Transhuman Evolution' and, of course, the 'Sumerians', 'Babylonians' and 'Anunnaki' (to name a few). Since 2008, over 50 editions have appeared of the core 'Mardukite Core' spanning approximately a dozen different discourses, called libros (or liber, singular) specific to the Sumerian/Babylonian (Mesopotamian) Anunnaki research conducted by the 'Mardukites' from 2008 until 2012. In 2011, a post-modern division of the organization was formed: 'Systemology', which focuses on the 'next generation' evolutionary movements. Joshua Free was first known as 'Merlyn Stone' prior to the public founding of the 'Mardukites'. During this time, his popularity was earned not from work on the 'Necronomicon' or 'Babylonian' systems, but general 'ritual' and 'ceremonial' magic. Of the popularly revived systems in the 'New Age movement', his exponent background is in Druidism and Celtic Wicca. He is extensively published on all these topics. Drawing from the author's extensive works in addition to updated commentary and notes, we are pleased to provide a concise pocket handbook series with the next evolution of Truth Seekers in mind - that means YOU!
