## **A Guide for the Perplexed** E. F. Schumacher

From one of the most influential thinkers of the 20th century, and the author of the international bestseller *Small Is Beautiful*, the reissue of a timeless treatise on the meaning of living.

In *A Guide for the Perplexed*, bestselling author E. F. Schumacher explores our relation to the world: our obligations—to other people, to the earth, to progress and technology, but most importantly to ourselves. If man can fulfill these obligations, then and only then can he enjoy a truly authentic relationship with the world—and truly know the meaning of living.

Schumacher argues that we need maps: a "map of knowledge" and a "map of living." The concern of the mapmaker is to find for everything its proper place. For things out of place tend to get lost; they become invisible and their proper places are filled by other things that should not be there at all and therefore serve to mislead.

*A Guide for the Perplexed* teaches us to be our own map makers in following our destined path in life's journey.

#### **John Rivera:**

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this A Guide for the Perplexed can make you feel more interested to read.
