The Kept Woman: A Novel Karin Slaughter

The Skimm Reads calls it "a thriller that's part *True Detective*, part *The Girl On The Train*. All parts gripping."

Husbands and wives. Mothers and daughters. The past and the future.

Secrets bind them. And secrets can destroy them.

The author of *Pretty Girls* returns with an electrifying, emotionally complex thriller that plunges its fascinating protagonist into the darkest depths of a mystery that just might destroy him.

With the discovery of a murder at an abandoned construction site, Will Trent of the Georgia Bureau of Investigation is brought in on a case that becomes much more dangerous when the dead man is identified as an ex-cop.

Studying the body, Sara Linton—the GBI's newest medical examiner and Will's lover—realizes that the extensive blood loss didn't belong to the corpse. Sure enough, bloody footprints leading away from the scene indicate there is another victim—a woman—who has vanished . . . and who will die soon if she isn't found.

Will is already compromised, because the site belongs to the city's most popular citizen: a wealthy, powerful, and politically connected athlete protected by the world's most expensive lawyers—a man who's already gotten away with rape, despite Will's exhaustive efforts to put him away.

But the worst is yet to come. Evidence soon links Will's troubled past to the case . . . and the consequences will tear through his life with the force of a tornado, wreaking havoc for Will and everyone around him, including his colleagues, family, friends—and even the suspects he pursues.

Relentlessly suspenseful and furiously paced, peopled with conflicted, fallible characters who leap from the page, *The Kept Woman* is a seamless blend of twisty police procedural and ingenious psychological thriller -- a searing, unforgettable novel of love, loss, and redemption.

Catherine Estey:

People live in this new morning of lifestyle always try to and must have the extra time or they will get great deal of stress from both lifestyle and work. So , when we ask do people have spare time, we will say absolutely without a doubt. People is human not really a huge robot. Then we question again, what kind of activity do you have when the spare time coming to a person of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative with spending your spare time, the book you have read is usually The Kept Woman: A Novel.

Mary Clement:

Playing with family in a park, coming to see the ocean world or hanging out with pals is thing that usually you may have done when you have spare time, subsequently why you don't try thing that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The Kept Woman: A Novel, you can enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't understand it, oh come on its named reading friends.

Beverlee Guthrie:

Is it you who having spare time then spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This The Kept Woman: A Novel can be the response, oh how comes? The new book you know. You are thus out of date, spending your time by reading in this new era is common not a geek activity. So what these textbooks have than the others?
