Wire Style: 50 Unique Jewelry Designs Denise Peck

Featuring original ideas from top jewelry designers, this collection covers a range of contemporary and stylish projects, such as bracelets, necklaces, earrings, and pendants. Beginning with a primer on basic tools and techniques and covering fundamental wire-working skills in detail, including wire-wrapping, weaving, coiling, chain-making, hammering, texturing, and oxidizing, this guide helps jewelry makers of all skills levels develop a range of talents. Each project includes a comprehensive materials list and step-by-step instructions that guide crafters through a variety of projects, including wrapping found objects with wire, making chain mail, creating spirals, straightening wire, making jump rings and ear wires, and creating clasps. Constructed with many different materials--from precious metals to plated and colored wire--these striking creations are a mix of funky and fabulous wire designs combined with stones, beads, and cords to create an interesting and eclectic jewelry collection.
