Colin Car: Bath Books That Float (Water Wheels) Debbie Rivers-Moore

Bathtime is fun-time for toddlers with this floating vinyl book in the *Water Wheels* series. It's shaped like a car and cleverly weighted at its bottom so that it actually stands upright on its wheels when placed in the bath water with pages closed. All *Water Wheels* books have a strap attachment to keep them closed when they're afloat. When kids open the book, they'll find an illustrated little story about a car.
