London

London

London calling: A photographic odyssey through the history of this epic city

Samuel Johnson famously said that: “When a man is tired of London, he is tired of life.” London is a vast sprawling metropolis, constantly evolving and growing, yet throughout its complex past and shifting present, the humor, unique character, and bulldog spirit of the people have stayed constant. This book salutes all those Londoners, their city, and its history.

From Victorian London to the Swinging '60s; from the Battle of Britain to punk; from the Festival of Britain to the 2012 Olympics; from the foggy cobbled streets to the architectural masterpieces of the millennium; from rough pubs to private drinking clubs; from royal weddings to raves, from the charm of the East End to the wonders of the Westminster; from Chelsea girls to Hoxton hipsters; from the power to glory: in page after page of stunning photographs London gets the photographic tribute it deserves.

About the series: Each compact and dynamic volume in TASCHEN's Piccolo City series distills the vitality and history of each metropolis into a *billet doux* packed with 150 photos, informative captions and inspiring quotations.

Text in English, French, and German

From reader reviews:

Marie Boyd:

Here thing why this London are different and reputable to be yours. First of all reading a book is good however it depends in the content of computer which is the content is as tasty as food or not. London giving you information deeper as different ways, you can find any book out there but there is no e-book that similar with London. It gives you thrill looking at journey, its open up your own eyes about the thing this happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your way home by train. If you are having difficulties in bringing the imprinted book maybe the form of London in e-book can be your choice.

Andrew Hall:

Do you one of people who can't read gratifying if the sentence chained within the straightway, hold on guys this particular aren't like that. This London book is readable simply by you who hate those perfect word style. You will find the information here are arrange for enjoyable reading experience without leaving also decrease the knowledge that want to deliver to you. The writer connected with London content conveys the thought easily to understand by many individuals. The printed and e-book are not different in the content but it just different such as it. So , do you nonetheless thinking London is not loveable to be your top list reading book?

Carolyn Franklin:

The book untitled London is the e-book that recommended to you to see. You can see the quality of the guide content that will be shown to an individual. The language that author use to explained their ideas are easily to understand. The article writer was did a lot of exploration when write the book, to ensure the information that they share for your requirements is absolutely accurate. You also could possibly get the e-book of London from the publisher to make you more enjoy free time.

Casey Schnell:

Exactly why? Because this London is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will jolt you with the secret that inside. Reading this book adjacent to it was fantastic author who write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your expertise and your critical thinking approach. So , still want to postpone having that book? If I have been you I will go to the reserve store hurriedly.
