Porsche R Schlegelmilch

Porsche, with its open aerodynamic coupe body, exotic appearance and performance capabilities beyond that of a normal passenger car, has become an icon in the transportation world; not only as a sports car, but also for the status and sexy image it brings to its owner. The concise and compelling texts shed light on every aspect of Porsche history, richly illustrated with a variety of historical documents. Throughout the 400-page book, naturally, one thing stands out: the vehicle itself. Rainer Schlegelmilch's photographs veritably pay homage to the embodiment of the car and provide enthusiasts with a fleeting glimpse of this explosive automobile.
