Resurrection (Blood of the Lamb) Mandy Hager

A futuristic novel for young adults, The Blood of the Lamb trilogy is, at its heart, political - a reflection on the way a few very powerful (mostly white) men hold the balance of power all around the world and maintain it through intimidation, incarceration, and fear.

When Maryam arrives back at Onew?re and tries to loosen the Apostles' religious stranglehold by sharing the miraculous remedy for Te Matee lai, she finds herself captured once again - prey to the Apostles' deadly game. The ruling elite manipulate her return by setting in motion a highly orchestrated ritual before a hysterical and brain-washed crowd. Somehow Maryam must get the islanders to listen to her plea that they start thinking for themselves - hoping to stir the independence in their hearts, even as she finds herself on the brink of death.
