Slot machines are the heartbeat of a casino. Enter any big house of chance and the first thing you'll hear is the humming, clanging, ringing, jingling of those dispensers of luck known as "one-armed bandits."

SLOT MACHINE STRATEGY is a concise and easy-to-understand guide to the exciting, and potentially lucrative world of the casino slot machine. MacIntyre Symms offers important lessons, including:

- How can you choose the North American casino with the best chance of paying off?
- How do you decide whether to stick with the machine you are playing or move to a new machine?
- How is slot machine strategy affected by casino innovations such as the progressive jackpot and multiple-coin machines?

Along with helpful tips on how to win and win big, Symms also briefly offers slot machine history, a quick course in how to manage your money, and some of the wacky things to expect should you win the big jackpot.
