Annapolis: A Walk Through History Elizabeth B. Anderson

Annapolis, one of America's outstanding colonial cities, is the capital of Maryland, the home of the U.S. Naval Academy, host to two of the largest boat shows in the country, and a vibrant town for tourist and resident alike. The city also offers a veritable architectural feast to the masses of visitors who meander through the centuries-old streets past impressively preserved buildings representing every period Colonial, Georgian, Federal, Gothic Revival, Victorian, and Modern. These visitors can marvel at stately dwellings like the Hammond-Harwood and Paca Houses with their meticulously manicured formal gardens, or enjoy the more simple shops, row houses, and taverns lining the streets and alleys. This pocket guide puts the city's outstanding buildings in historical perspective and adds colorful facts to enhance enjoyment of them. It is spiced with delightful anecdotes of many early Annapolis inhabitants and enlightened by recent research. The text includes helpful maps and the superb photographs by M. E. Warren.
