Never...

accept a reassignment to the middle of nowhere "for your own good." Harry's been sent to a makeshift town in a desolate landscape-a world full of easy money, plenty of illegal ways to spend it, and a ragtag collection of transient characters who thrive on the fringes of society. A place where little grows, but evil flourishes.

Never...

trust anyone. Looking into a seemingly simple missing persons case, Harry's been assigned to a new "partner." But is he actually meant to be a watchdog? Still reeling from the accusations against her brother, Harry can't even trust her own instincts, which she's never doubted...until now.

Never...

go anywhere without leaving a trace. Far from the world she knows and desperate to clear her brother's name, Harry has to mine the dark secrets of her strange new home for answers to a deepening mystery-before she vanishes in a place where no one would ever think to look for her.
