Scrapbooking Baby's Cherished Moments: 200 Page Designs Rebecca Carter

Save every one of those precious and fleeting babyhood moments in a scrapbook that will become a treasured family keepsake and a joy to look through again and again. The multitude of designs presented in these bright and lively pages are simply dazzling. If the pictures can tell the story, let them speak, in a simple yet beautiful layout: one heartwarming example has two images of a newborn alone and one with the beaming mother embracing her infant. A handwritten card with a tiny safety pin and miniature bottle attached completes the sweet effect. Or go wilder, adding buttons and ribbons, a mixture of patterns, heritage laces and trims, girly-girl adornments, and a little bit of everything, from scrabble letters to decorative charms.
