Sew Tiny! is what every new mom needs. Babies require a whole heap of things-clothes, crib bumpers, changing bags, dribble bibs... and that's just for starters, so rather than spending a fortune on over-priced, mass-produced stuff why not harness your inner creativity and make it yourself.

Jazz Domino Holly, who's been there and done that herself, shows the way with 30 original and easy sewing projects for everything from burp cloths to stroller accessories. Her ideas are always inventive, yet simple, practical, yet fashionable - forget boring pastels, babies love day-glo and animal print! Everything is young, fresh, quick, and cool, and you don't have to be any kind of expert. These are projects to fit in between naps and feeds, which will give you a few calm, crafting minutes to yourself and empower you through your baby's first months and beyond.
