Thinking Outside the Frame: How Artists Make Actual Money in the Virtual World Gayle Etcheverry
When I started as an artist there were no manuals to teach me the basics; nothing in print or online that showed me what to do. Now that I am living my dream and working as a paid artist, I get asked, "How do you do it? How did you become an artist -and make money at it?" Answering these questions I realized I should write a manual; the book originally sought after when I started. This conclusion led me to "think outside the frame" and fill this book with everything useful; all of the tools and information, the knowledge and inspiration to "promote yourself" and become a working...PAID...artist!
