## **Trick of the Eye** Dennis Haseley

Richard has started seeing things. And hearing them too. Suddenly he has discovered that he can communicate with the characters in paintings. And they've begun to tell him that there's something he has forgotten—something important in his past that he'll be able to remember if only he can find the right painting. Does he dare look for it? Does he dare remember?

In this intriguing, intricate novel with a Gothic flare, Dennis Haseley has spun a breathtakingly original mystery. The ending will astonish you.
