## All of Me Claire Richards

Claire Richards is loved by women everywhere for her warm and genuine personality. Now she writes honestly about her life, taking us from the bullied schoolgirl who dreamed of performing at Wembley to finding stardom with Steps. She reveals the secrets of the music industry and what it's really like to be in a band at the top of their career, from the unhealthy pressure to stay thin to the backstage fights. She describes how the stress of her affair caused her to starve herself, and explains why she and fellow bandmate H controversially resigned.
