Animal Rights and Wrongs

Roger Scruton

Animal Rights and Wrongs Roger Scruton

A revised and improved edition of a book in continuing demand.

Do animals have rights? If not, do we have duties towards them? If so, what duties?

These and myriad other issues are discussed in this brilliantly argued book, published in association with the leading think-tank Demos.

Why are animal-rights groups so keen to protect the rights of badgers and foxes but not of rats mice or even humans? How can we bridge the growing gap between rural producers and urban consumers? Why is raising animals for fur more heinous than raising them for their meat? Are we as human beings driving other species either to extinction or to a state of dependency? This paperback edition is fully updated with new chapters on the livestock crisis, fishing and BSE and a layman's guide introduction to philosophical concepts, the book presents a radical response to the defenders of animal rights and a challenge to those who think that because they are kind to their pets, they are therefore good news for animals.

From reader reviews:

Eugene Flowers:

The book Animal Rights and Wrongs can give more knowledge and information about everything you want. Why must we leave a very important thing like a book Animal Rights and Wrongs? A few of you have a different opinion about book. But one aim this book can give many details for us. It is absolutely appropriate. Right now, try to closer along with your book. Knowledge or data that you take for that, you can give for each other; you can share all of these. Book Animal Rights and Wrongs has simple shape but the truth is know: it has great and large function for you. You can appearance the enormous world by start and read a e-book. So it is very wonderful.

Louise Guest:

Your reading sixth sense will not betray you actually, why because this Animal Rights and Wrongs guide written by well-known writer we are excited for well how to make book that could be understand by anyone who read the book. Written with good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still skepticism Animal Rights and Wrongs as good book not merely by the cover but also with the content. This is one publication that can break don't determine book by its include, so do you still needing yet another sixth sense to pick that!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.

Edward Cooley:

This Animal Rights and Wrongs is brand-new way for you who has curiosity to look for some information given it relief your hunger of knowledge. Getting deeper you into it getting knowledge more you know or else you who still having little digest in reading this Animal Rights and Wrongs can be the light food for yourself because the information inside this specific book is easy to get simply by anyone. These books develop itself in the form that is reachable by anyone, sure I mean in the e-book contact form. People who think that in book form make them feel sleepy even dizzy this e-book is the answer. So you cannot find any in reading a reserve especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book style for your better life along with knowledge.

Eric Kyler:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Animal Rights and Wrongs can make you sense more interested to read.
