**Instant Ubuntu** Christer Edwards

Your complete guide to making the switch to Ubuntu

## Overview

- Learn something new in an Instant! A short, fast, focused guide delivering immediate results
- Focuses on making new users feel comfortable switching to Ubuntu
- Discover the top applications and features
- Learn everything you need to know to install, configure, and get started with using the Ubuntu desktop

## In Detail

Ubuntu is widely considered the worlds' most popular Linux distribution. Focusing on simplicity and ease of use, it provides an intuitive desktop environment suitable even for the novice user. Built by a worldwide team of developers, Ubuntu provides a welcoming approach to software.

"Instant Ubuntu" will guide you through the steps required to begin using the Ubuntu Linux distribution on your desktop or laptop. This book provides a guided tour of the installation, followed by an overview of the desktop environment, and an introduction to all of the top applications.

Starting out with detailed instructions on the installation, this book will walk you step-by-step through the basics of getting started. Once you're up and running, you'll be given a full tour of the Ubuntu Dash and Launcher, followed by an outline of the top applications and features.

## What you will learn from this book

- Download and burn the free Ubuntu installer DVD
- Connect with friends and family online using popular social media platforms, email, and chat
- Use the Ubuntu Software Center and install new applications
- Explore the included multimedia applications, and play music and watch videos
- Set up automatic backups stored securely in the Ubuntu One cloud
- Be productive at work or school with the LibreOffice productivity suite
- Install up-to-date drivers to support cutting edge video and network hardware
- Join a worldwide community of open source enthusiasts

## Approach

Get to grips with a new technology, understand what it is and what it can do for you, and then get to work with the most important features and tasks. This title is a step-by-step guide to installing and using Ubuntu easily and quickly.

## Who this book is written for

If you are interested in exploring what Ubuntu Linux has to offer, this is the book for you. "Instant Ubuntu" is written from the standpoint of a beginner. All you need to get started with this book is a very basic

understanding of computing, such as the ability to burn a DVD and navigate the Internet.

### From reader reviews:

#### **Dustin Broach:**

Do you among people who can't read pleasurable if the sentence chained inside the straightway, hold on guys this particular aren't like that. This Instant Ubuntu book is readable by means of you who hate those straight word style. You will find the details here are arrange for enjoyable reading experience without leaving perhaps decrease the knowledge that want to give to you. The writer connected with Instant Ubuntu content conveys objective easily to understand by many individuals. The printed and e-book are not different in the content material but it just different available as it. So , do you nonetheless thinking Instant Ubuntu is not loveable to be your top collection reading book?

#### **Larry Swartz:**

The e-book untitled Instant Ubuntu is the reserve that recommended to you to study. You can see the quality of the e-book content that will be shown to you. The language that writer use to explained their way of doing something is easily to understand. The article author was did a lot of exploration when write the book, hence the information that they share to you personally is absolutely accurate. You also can get the e-book of Instant Ubuntu from the publisher to make you a lot more enjoy free time.

#### **Daniel Downey:**

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Instant Ubuntu can make you experience more interested to read.

#### **John Coffin:**

Publication is one of source of knowledge. We can add our know-how from it. Not only for students but also native or citizen need book to know the change information of year for you to year. As we know those guides have many advantages. Beside most of us add our knowledge, may also bring us to around the world. From the book Instant Ubuntu we can acquire more advantage. Don't one to be creative people? To get creative person must choose to read a book. Merely choose the best book that ideal with your aim. Don't become doubt to change your life at this time book Instant Ubuntu. You can more pleasing than now.
