It's incredibly frustrating, isn't it? That even your best efforts to craft an amazing resumé fail. You spend days searching for the perfect position, polishing your resumé and crafting the perfect cover letter. But after all that hard work what do you get in return? Nothing. No invite to interview and rarely even a rejection letter. And that's what's most frustrating. That after all your hard work there's zero recognition. No constructive criticism and nothing to help you improve. You've spent hours creating a document which has accomplished nothing but you being completely ignored. So what is it you're doing wrong? The truth: A lot. The majority of resumé advice you've received is wrong. A good resumé is not just a list of the jobs you've held in the past or a rundown of your skills. A good resumé highlights your achievements and helps you stand out as the ideal candidate for the job. The good news? Together we're going to transform your resumé from a simple list of past duties into an achievement focused, compelling letter that won't just get a response from recruiters, but will get the response you want. An invite to interview. Your resumé is the most important element in finding a new job. A good resumé gets your foot in the door. It makes recruiters want to invite you to interview to you to find out more. It's the first, and most crucial, step in selling yourself as the best candidate for the job. In this book you'll learn a step-by-step method for creating a resumé that cannot fail to impress. A method that I've used as a professional copywriter to create winning resumés and corporate bios for dozens of high level employees in multinational firms. There's nothing generic or ambiguous in this guide. Each chapter offers actionable advice and walks you through the exact steps you need to take to ensure your resumé is the best it can be. Download this book and within a few days you'll have the competitive edge to stand out from the crowd with a resumé that makes recruiters want you. In this book you'll learn:

- The fundamental problem with popular resumé advice - How the advice you've heard is holding you back and the different approach that's guaranteed to capture recruiter attention.
- The secrets of effective resumé design - Using scientific studies you'll learn where recruiters attention is most focused.
- The secrets of effective research - Knowing that a company is hiring isn't enough. You'll learn how to discover what particular traits, skills and achievements that business most highly values
- Turning your research into a targeted, compelling resumé - Knowing what a company wants and knowing how to demonstrate you fit their needs are two different skills. You'll learn how to quickly and easily establish yourself as the ideal candidate.
- A few professional editing tricks - Recruiters are busy. They don't have time to read through paragraph after paragraph of information. In this section you'll learn how to edit your resumé to make the same statement in as few words as possible for maximum impact.
- The all important final check - A few tips on how to finally check your resumé to ensure there's no errors and it's as good as it can possibly be.

Two Awesome Freebies If you click the purchase button now you'll also get two awesome freebies. The first is a spreadsheet specifically designed to make the research and writing stage easier. The second is a free 5 part email course of over 5000 words that explains how to create an awesome cover letter to accompany your resumé. With a one-two combo of incredible resumé and compelling cover letter, you can't fail to wow your recruiter. Hit the purchase button now to receive all three items and end your job search.
