**(The Best Of) 100 Days of Inspiration: The paintings and prose of Melody Hogan** Melody A. Hogan Visual Artist, Melody Hogan, spent the last 100 days of 2009 completing a creative experiment she called "100 Days: 100 Paintings." She decided to unplug from the noise of the world to make space to find the Divine through her painting. As she embarked on the experiment, she explained, "I'll be excavating the creativity that's in my heart and putting it onto the canvas. In quieting the voices that so loudly beg for my attention and affection, I will tune my ears to the One Voice that is the source of all things creative, and beg for His." Melody completed a painting each day for 100 days, chronicling the adventure with back stories for each painting. This book is a collection of the favorite paintings and prose produced during her experiment.
