The Value of Hope Jim D Buchanan

This book is a good read. Though The Value of Hope is about climate change, the main character is the human race, it discusses global society and the directions it has been manipulated into going. Unsustainable still has the same result though, what doesn't work, doesn't work. The book has everything ...murder, mystery, intrigue, history, greed, beauty, kindness and the ability to educate the readers. Everyone will come away wanting to do something positive. It's a start and we need to keep the conversation going, more importantly, we need to take action to do what we can. This is a book that can change your life. It is loaded with insights mixed with well-researched stories regarding the most urgent issue of our time. This book will make you think.
