The Wisconsin Frontier (A History of the Trans-Appalachian Frontier)

Mark Wyman

The Wisconsin Frontier (A History of the Trans-Appalachian Frontier) Mark Wyman

From 17th-century French coureurs de bois to lumberjacks of the 19th century, Wisconsin's frontier era saw thousands arriving from Europe and other areas seeking wealth and opportunity. Indians mixed with these newcomers, sometimes helping and sometimes challenging them, often benefiting from their guns and other trade items. This captivating history reveals the conflicts, the defeats, the victories, and the way the future looked to Wisconsin's peoples at the beginning of the 20th century.
