To Fool the Rain: Haiti's Poor and Their Pathway to a Better Life Steven Werlin

***To Fool the Rain* thoughtfully chronicles Steven Werlin's journey with Fonkoze, but it is also the story of Fonkoze itself.**

Presented in vivid detail are the lived experiences of Mirlene, Micheline, Ti Rizib, Monique, Rose Marthe, Alta, and other *Chemen Lavi MiyO* participants, who have benefited in many ways from this remarkable program. As Werlin makes clear in *To Fool the Rain*, there is no single pathway to a better life. The stories of each of these women are the stories of Fonkoze: individual beginnings, challenges, and successes bound together by the themes that pattern life in rural Haiti.

Lacking social safety nets, the poor in Haiti and elsewhere face ongoing and catastrophic cycles of poverty and disease. Fonkoze's pioneering work in solidarity with Haiti's poor has been a crucial step in disrupting such cycles. Fonkoze's model, particularly its Chemen Lavi MiyO program, offers a path to security and hope for marginalized women. - **From the foreword by Dr. Paul Farmer**
