A Small Porch: Sabbath Poems 2014 and 2015 Wendell Berry

More than thirty-five years ago, when the weather allowed, Wendell Berry began spending his sabbaths outdoors, walking and wandering around familiar territory, seeking a deep intimacy only time could provide. These walks arranged themselves into poems and each year since he has completed a sequence dated by the year of its composition. Last year we collected the lot into a collection, *This Day, the Sabbath Poems 1979-2013*.

This new sequence for the following year is one of the richest yet. This group provides a virtual syllabus for all of Mr. Berry's cultural and agricultural work in concentrated form. Many of these poems are drawn from the view from a small porch in the woods, a place of stillness and reflection, a vantage point "of the one/life of the forest composed/of uncountable lives in countless/years each life coherent itself within/ the coherence, the great composure,/of all."

A new collection of Wendell Berry poems is always an occasion of joyful celebration and this one is especially so.
