Excerpt from A Text-Book of Tropical Agriculture

"If you wish success, make perseverance your bosom friend, experience your wise counsellor, caution your elder brother, and hope your guardian genius." - Addison.

"It is both the duty and interest of every Owner and Cultivator of the Soil to study the best means of rendering that soil subservient to his own and the general wants of the community; and he who introduces, beneficially, a new and useful Seed Plants or Shrub into his district, is a blessing and an honour to his country." - Sir J.Sinclair.
