Dr. Feelgood: Carl Weber Presents Christian Keyes

After a recently failed engagement, Phillip Gooden is burying himself in work at this therapy practice to avoid dealing with his problems. Dr. Gooden isn't the typical, dull therapist. He has some unusual ways of addressing his patients' concerns. From anger management and infidelity to intimacy issues and marital woes, he always makes his clients feel better. Many of his female clients think of him as Dr. Feelgood; however, Phil's biggest challenge is making himself feel good again by letting go of his past. Between the problematic patients he counsels, the ridiculous antics and issues of his coworker and best friend, and his constant bad luck with dating, he's trying not to lose his own mind. After all, he is Dr. Feelgood!"
