## **Hungarian Cinema: From Coffee House to Multiplex** John Cunningham

Hungarian cinema has often been forced to tread a precarious and difficult path. Through the failed 1919 revolution to the defeat of the 1956 Uprising and its aftermath, Hungarian film-makers and their audiences have had to contend with a multiplicity of problems. In the 1960s, however, Hungary entered into a period of relative stability and increasing cultural relaxation, resulting in an astonishing growth of film-making. Innovative and groundbreaking directors such as Miklós Jancsó (*Hungarian Rhapsody*, *The Red and the White*), István Szabó (*Mephisto*, *Sunshine*) and Márta Mészáros (*Little Vilma: The Last Diary*) emerged and established the reputation of Hungarian films on a global basis. This is the first book to discuss all major aspects of Hungarian cinema, including avant-garde, animation, and representations of the Gypsy and Jewish minorities.
