Key Documents and Research Materials in International Law

Key Documents and Research Materials in International Law

Now for the first time, over 80 treaties have been brought together in one place. Key Documents and Research Materials in International Law is a comprehensive and up-to-date collection identifying some of the most important international treaties, conventions and agreements in history. The Vienna Convention, Kyoto Protocol, and the Geneva Convention are only some of the more than 80 treaties contained in this work. Hafez has brought together a collection of documents covering all important areas of international law!
