## **Time Tunnel at the Seaside (Volume 3)** Olli Tooley

Part 3 in the Time Tunnel series. David Johnson is an ordinary ten year old schoolboy who has by pure chance twice stumbled across a time tunnel that takes him back to Roman Londinium. His adventures have led him to become a minor celebrity as well as helping him to do a lot better at school. However, now it is the summer holidays and he is off to North Devon with his mum, his uncle and aunt, and his cousin Sarah. He assumes that time travel is off the menu but circumstances force him and Sarah into yet another challenging trip into the past, that ultimately leads to a happy conclusion for all concerned. But there is still one question. Why would anyone mix chocolate and bubblegum flavour in an ice-cream?
