Darkfever Karen Marie Moning

MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks...until something extraordinary happens.

When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae....

As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands....

From reader reviews:

Victor Shepard:

Often the book Darkfever will bring someone to the new experience of reading the book. The author style to elucidate the idea is very unique. In the event you try to find new book to learn, this book very suitable to you. The book Darkfever is much recommended to you to learn. You can also get the e-book through the official web site, so you can more readily to read the book.

Mark Vandyke:

Many people spending their time period by playing outside using friends, fun activity using family or just watching TV all day long. You can have new activity to spend your whole day by reading a book. Ugh, you think reading a book can actually hard because you have to take the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Mobile phone. Like Darkfever which is finding the e-book version. So , why not try out this book? Let's see.

Irma Patterson:

A lot of book has printed but it is unique. You can get it by net on social media. You can choose the best book for you, science, comedy, novel, or whatever by simply searching from it. It is known as of book Darkfever. You can contribute your knowledge by it. Without leaving the printed book, it can add your knowledge and make anyone happier to read. It is most critical that, you must aware about publication. It can bring you from one destination for a other place.

Elisa Dumont:

Many people said that they feel uninterested when they reading a publication. They are directly felt this when they get a half portions of the book. You can choose typically the book Darkfever to make your personal reading is interesting. Your current skill of reading talent is developing when you like reading. Try to choose simple book to make you enjoy to study it and mingle the idea about book and studying especially. It is to be very first opinion for you to like to open up a book and study it. Beside that the reserve Darkfever can to be your new friend when you're really feel alone and confuse using what must you're doing of that time.
