## **Finally Friday (The Chronicles of Warfare) (Volume 6)** Melinda Michelle

“Be of sober spirit, be on the alert. Your adversary, the devil, prowls around like a roaring lion, seeking someone to devour.” 1 Peter 5:8 (NASB) ...24 hours...1,440 minutes...86,400 seconds...Time is the adversary of every living thing. Tuesday, June 17th is a day that will be seared in the minds and hearts of these warriors until the day they take their last breath. Though they have many victories to celebrate, the war has not been won. The Kingdom of Darkness will not simply stand by and let the Light ruin all their well-laid plans. Satan has asked for permission to go after one of the warriors and it has been granted. He does not plan to squander this opportunity so he enlists the help of the Seven Principalities of Hell. Not all of their trials come from the enemy, some things they must endure simply because it is God’s sovereign will. The Light and the Darkness are putting their players into position and each one is ready with strategic counteractions. Closets full of skeletons spill out like never before only to create a bigger web of lies, deceit and treachery. The warriors are left to conquer their fears, their pasts, their secrets, their emotions, and their logic. One thing they must realize is the power of choice. Nothing and no one in heaven, on earth, or under the earth will stand against their free will. Either they surrender to God’s will or they suffer the consequences of disobedience. Once the 11th hour and 59th minute arrive permanent lines will be drawn in the sand. The Saturday Showdown is coming whether they are ready or not. Will those that survive this day find the strength to stand in the midst of it all?
