Rabbit Slayer: Book #1 of The Alice Chronicles Kirk von der Heydt

Wonderland has sent White Rabbits into our world to prey upon the innocent, and just as long there has been an Alice to protect against what others choose to ignore as nonsense.

Like most girls, seventeen-year-old Emily Anderson believes fairy-tales are only make-believe. That's until the White Rabbits come after her. When her friend is taken instead, Emily accepts the help from the sometimes bizarre Alice. Things go from bad to worse, and she unknowingly winds up standing before the Queen of Hearts.

To every generation, an Alice is born, will Emily be the next one?
